

Dagmar Steinert

CFO wienerberger

PROFESSIONAL EXPERIENCE

2025 – today **CFO wienerberger**

Member of the Managing Board of the leading international building materials group based in Vienna, Austria (100% free float public company; €4.5 billion revenues; leading provider of innovative, ecological solutions for the entire building envelope, in the fields of new build and renovation, as well as infrastructure in water and energy management).

Dagmar Steinert took over the position of wienerberger Chief Financial Officer (CFO) on March 1, 2025.

2022 – 2024 **CFO Rheinmetall**

Member of the Managing Board of a leading international systems supplier in the defense industry. Key responsibilities included successfully leading the DACH IT transformation without business interruption and managing M&A transactions.

2016 – 2022 **CFO FUCHS**

Member of the Managing Board of a leading, independent, international manufacturer of lubricants (e. g. industrial, automotive) and related specialty products. Key responsibilities included restructuring the IT department, digitalising the FUCHS group and managing M&A transactions.

2013 – 2016 **Head of Investor Relations FUCHS**

Advising the Executive Board on accounting and compliance issues, leading global commercial projects across Brazil, China, and South Africa, and developing the Investor Relations department while creating communication concepts.

2003 – 2013 **Head of Accounting Rheinmetall**

Responsible for reporting, financial statements and the preparation of the Annual General Meeting. Oversaw M&A processes, including purchase price allocation and post-merger integration as well as divestments and capital market measures.

1993 – 2002 **Tax Consultant and Chartered Accountant**

Various auditing and tax consulting firms (including more than five years at PricewaterhouseCoopers, PwC).
